

DEALERSHIP VISIT GUIDE

Sundance Spas

YOUR HOT TUB SHOWROOM VISIT A CHECKLIST FROM SUNDANCE SPAS

Make the most of your hot tub dealership visit. Bring this checklist along when you go to the showroom.

PLAN YOUR VISIT

Ready to learn more about Sundance Spas in person? Here's what to do first:

- Make an appointment
- Ask if you can take a wet test (optional, of course)
- Take photos and measurements of your planned hot tub site

WHEN YOU ARRIVE AT THE DEALERSHIP

Within a few minutes of walking into the showroom, you can expect to:

- Be greeted by the dealer, who will tell you which brands they carry
- Browse around the models on display, noting shapes/sizes

GET INTO A HOT TUB (WATER OR NOT)!

Don't hesitate to sit in a spa to judge the comfort level, even if you didn't schedule a wet test.

- Sit in every type of seat – this goes for the whole family!
- Experience the jets – feel the water, listen to the level of noise
- Try out key features: energy-saving components, LED lighting, stereo system
- Request a demonstration if available: how to replace a filter and control temperature settings, for example

HAVE A CHAT WITH YOUR DEALER

Spend a few moments discussing important items, such as:

- Costs for the hot tub and monthly upkeep
- Maintenance and water filtration
- Delivery and installation
- Warranties

BEFORE YOU LEAVE...

Complete your dealer visit with a quick wrap up:

- Ask for installation photos for inspiration
- Measure the hot tub you've chosen
- Review the Pre-Delivery Guide with your dealer and schedule delivery
- Get ready for hot tub living!
